Updates:

- Fall sports are winding down. See Mr. Reynolds report for details. However, I would like to acknowledge that in our first year of the sport, we have 3 Badminton players going to state. Bravo Mr. Mlazar!
- AIMS' testing is under way, Mr. Mabb has done a nice job organizing and conducting this process. The fall testing is usually just for the junior and senior students that have not yet met the standards, however this year the sophomores are all testing on the writing pilot test.
- Site Advisory Council meetings have been underway since August. We now have a full council consisting of:
 - Angie Couden President
 - Dawn Ahearn Secretary
 - Michelle Kempton Member
 - Patty Campbell Member
 - Bob Whaley Community Member
 - Dalton Tebbs Student
 - Morgan Tebbs Student
 - Blaze Baggs Student
 - Tana DeSpain Classified Representative
 - Jason Rhone Teacher
 - Katie Bundy Teacher
 - Mark Dunsmore Teacher
 - Travis Decker Teacher
- We are currently in the process of scheduling tri-level awareness trainings on Sexting. Site Council will be hosting a parent meeting after the holidays, we will also be doing an assembly for students and an in-service for teachers
- We will be adding a Student Council School Board report starting in December.

Campus Challenges:

These continue to be challenges:

Implementation of strategies to increase student achievement for our upper-end students
Completion of needed maintenance projects throughout the campus.
Balancing the needs of our programs and the financial constraints put on us by the State.
Getting the job done with less classified help
