

Parents,

H1N1 flu shots are going to be available for elementary students on the dates listed below. At this time, there is not a clinic scheduled for Newell Barney Jr. High or Queen Creek High School. We are hopeful there will be a clinic at these two schools also but that is dependant on available vaccine. The Mollen Clinic will not be vaccinating siblings at the elementary sites at this time. The Mollen Clinic is working with the school district and will notify us when they can provide a clinic at QCHS and NB Jr. Hi. We will then get the information to you. Here is a link to the Mollen Clinic site: www.flushotsclinic.com.

Dates	School
11/2/09	Queen Creek Elementary School
11/3/09	FB Pickett Elementary School
11/4/09	Desert Mtn. Elementary School
11/5/09	Jack Barnes Elementary School
11/6/09	Queen Creek Middle School
